Having worked with the Managing Director Trish Hayes in previous years we had no hesitation in instructing Bartram & Co when selling our property. They provide a personal, friendly, reliable, and coconscious service second to none! Their up to the minute knowledge of the property market alongside a trusted valuation were imperative and resulted in a quick sale. Well done to the team at Bartram & Co. Thank you.

The frank and honest approach from Bartram's was refreshing, our house sold within days giving us the opportunity to aspire to a larger property. It was crucial that our property sold quickly in order for us to proceed on our dream home. With the Nationwide coverage that Bartram & Co offered us, resulted in a cash buyer from out of the area being found within days, now that is a result in the current climate!

A million thanks for your achievement, we are in no doubt that without your wide network and proactive approach we could still be on the market and have missed out on our dream home!

After almost a year on the market without selling with another agent, we decided to try another agent and approached Bartram & Co. On first visiting their offices, we were struck by their friendliness, professionalism and marketing initiatives. Without question we instructed them to sell our property and found their regular communication invaluable. The amount of interest generated in just a few weeks astounded us and a sale was agreed within a month.

A first class service.

We really appreciated the all of the advice and guidance you provided as we are complete novices having never sold a property before. We would certainly recommend Bartram & Co to anyone selling their property.

"I am very grateful to staff at the Lutterworth branch of Bartram & Co for their outstanding service relating to the rental of my property.

Amazingly, within twenty four hours (24hrs) of asking Bartram & Co to let and manage my property, staff had visited and photographed the property, produced and circulated an attractive marketing pack, and responded to interest from potential tenants. The following day they showed a tenant around the property and duly agreed the advertised rental amount. A few weeks later, after tenant references had been obtained and contracts finalised, the tenant was given the keys to the property. Throughout this exceptionally short period, staff kept me fully informed of all events as they happened.

The overall efficiency and professionalism of staff towards this Managed Residential Letting is highly commendable. I have enjoyed the helpful and warm welcome received from staff on every visit and I look forward to the same continued successful relationship in the years ahead.
